“ I am so glad that a friend sent me an email regarding Betty's passing. I live in Northeast Ohio and would not have known. She was a good friend of my mother in law, Ann Graham who passed away several years ago. I was able to spend some time with Betty through Ann and admired her spunky spirit. She and Ann were close and were able to confide in each other regarding the ups and downs of life. I offer condolences to the family and may God's peace and comfort along with caring family and friends be with you as you celebrate her life well lived.

“ Cathy & Alan,  
So very sorry to learn of Betty's passing. Mom, Diana, & I send our thoughts, prayer, & condolences. We won't be able to attend on Sat. but wish you all well for sure. I have a lot of good memories of Betty - when she lived in the Condo by Sue Farrow as well as at CrownPointe. She always wanted to know about myself, wife, and family. She was very interested in the farming operations as well. Hope we can get together in the near future.

“ Betty and I were Somerset neighbors. We were the beginnings of the Somerset Association, I as President and Betty as Vice. Betty was always there to help me iron out the problems of the Association. My sympathy to her family.
