“ I worked with Gail at Gander Mountain. She was so honest about her feelings and she would express them whether you liked it or not. She was full of pep & energy and just kept on going. My prayers are with all her family and may God keep you all safe from harm. Really going to miss you Gail.

“ I worked with Gail at Gander Mountain. Gail was a very loving person. She wore her heart on her sleeve and would give anyone the shirt off her back in an attempt to help someone. My heart goes out to all of her family and friends in their loss. Gail, you will be missed tremendously, but we know you will be watching over all of us. Gone but never forgotten and loved forever <3
