“ We are completely heartbroken that our beloved Dad and Grandpa is no longer with us. Our sons spent many, many hours at Grandpa and Grandma's growing up. They were always excited to go visit and once we were there, never wanted to leave. Many times they spent the night just to extend their time there. Shane and Devin both loved riding the lawn mower with Grandpa. Shane loved driving the four-wheeler, until it tipped over and he broke his wrist. When Grandpa bought the swing set and then the trampoline, the boys and their cousins would run out there first thing every visit and then spend most of the visit on those. Shane, Devin and MiKayla all practiced driving a vehicle in the acreage out back. He was always available to help fix our vehicles or anything else we asked him to help with. He always accepted our invitations to school events and activities. We had many years of holiday gatherings and meals that we will always cherish. We will miss his guidance, kindness, wisdom and his stories. We will forever miss our Dad and Grandpa and wish we had more time with him.
