“ I have known Janie since she was a toddler. Charlie and Louise lived behind my parents Bob and Mary Yount. Janie looks so much like her Mother. My thought and prayers are with the family.

“ Thoughts and prayers are with all the family.

Janie was a classmate of mine, and shared many class get togethers. She was a sweet, caring soul. Hoping Charlie remembers all the good times they shared.

“ Dustin, Craig, Toni Holt Reynolds
Unfortunately due to Covid I will not be able to attend in person. It breaks my heart not being able to be there. I hope Janie can watch from above and see all the love being shown in her honor today. I want so much to give Charlie, Dustin and Craig a hug.

If I could have been there in person, I would have shared the memory of when she and Charlie first became smitten with each other and how a few weeks later they showed up at my place on the evening of June 21, 1972 planning to elope. They wanted Jim and me to drive them to TN to get married and be their witnesses. Needless to say, we drove all night long and that following day we found a judge in a courthouse who married them. The trip at the time was a bit chaotic, you see we kind of ran out of cash while there and that was way before ATM machines! 😬 However looking back we laughed and laughed about our escapades, it was so so so fun. Never ever had I seen two people so giddy, happy and in love. They were indeed soul mates and adored each other from that day and forward.

I was blessed to have been a part of that happiness.

Through the last 50+ years, I've been blessed to call her a dear friend. Janie was always so full of love, so upbeat and a woman of faith. I look forward to see my sweet friend again in all of Heavens glory!

Sending much love to all today. I am with you all in thoughts and prayers.

“ Jamie was such a sweetheart! I met her when attending LHS. While I was a senior I have her a cute puppy. After that we would talk every time I would see her and have a good laugh about that cute little puppy. It's unfortunate that we lost touch. I talked to her once on Facebook and found out she was in bad health. So sorry for Charlie & their boys that she passed away. My condolences to you all. Godspeed Janie Godspeed.

“ I remember her from when I was in School. Always had a smile. I had not seen her since then until 2019. She discovered my cooking page and started ordering chicken pot pies from me. Every time her and her husband came to pick them up it was pouring rain. They would all be in the car, including the dogs. I am so glad that I was able to renew the friendship before she died. Rest in Peace and good bye. I can't be there right now due to COVID, but your family and you are in my thoughts and prayers. Anna Gant Happ
