“ We are so sorry to hear of the passing of Kyle. The family is in our prayers. Losing a child so young is one of the worst things that could happen. God be with the family now and in the days to come. Bill and Linda Stuteville & Family.

“ So sorry for the loss of Kyle. I remember Kyle and his sister and mom coming up here to Minnesota to visit relatives. I remember him being a sweet little boy, full of life, and just a sweetheart. I know he liked football when he was a child because we would receive pictures in the mail of him with his football uniform on. He looked pretty cool in his jersey.
But we didn't see him much after that except for pictures. (I am his great aunt)
