“ I knew Lowell through Association Milk Producers where I worked. He always had a smile on his face and a joke on his lips. He was a very special man. May God bless you all.

“ My brothers and I have many great memories growing up with our neighbors the Ross family. Lowell was a great example of how to live life well. He worked hard and played even harder. We would play volleyball games in the yard, we never could keep track of the score. We enjoyed playing Euchre games at Pinnell in the gym. Lowell and Ethel raised four great kids and i'm sure someday they they see him again.

“ So sorry to hear this. I just heard he wasn't doing well. The greatest neighbors a child could ask for! Ethel always had the most famous pies and let us ride bikes and go-carts through the ditch. Lowell loved coming and visiting dad the last 10 years or so and he made the most beautiful woodwork - hope some of you were lucky enough to own a piece either from him or the Covered Bridge Festival - a great loss- prayers to the family.

“ A good man and neighbor when I was young....Always alot of fun on the bus....water fights and ice cream! Enjoyed seeing Lowell and Ethel over the years...out shopping after church in his finest Sunday suits and greeting people he knew with a laugh, and Ethel with her sweet smile and a hug... Blessed to have known them both.

“ When I visited them, except the last 6 months or so he always welcomed me and at least he acted like he knew who I was. Was always the jokester and a lot of times he stuck his cane out in front of me to act like he was trying to trip me. I genuinely liked seeing him.
Did not know him as long as others but glad for the time we had.

“ Many good memories of the Ross family. I was lucky enough to attend Pinnell in my 7th and 8th grade and Becky was in my class so got to know the Ross family. Very nice family. Have seen them a few times since with pleasant conversations. My condolences to the family.
