“ While Mike was a friend of my brother's and their group of friends, Mike always seemed to be able to mingle with all ages....in fact, he dated some of my dear friends. He always seemed to have a ready smile and gentle laughter.....and what I remember most was his complete devotion to his family. Oh my...how he loved them. Rest in peace, Mike.

“ Remember lots of good memories of Mike. Camping in a huge teepee and upgrading to a cabin in the woods with Alana. Many memories of the little house on Park Street(I think I got the name right). Mike always had the best yard!! One of the things I loved most about him was his love and devotion to family. He will be missed.
