“ I love my momma so very much. Seems like I spent a lot of my younger years trying to get that mother/daughter relationship that all daughters want. After many attempts we finally were exactly where we needed to be. My mother was my best friend when God took her home. I know she was tired. I know now she is at peace.No pain no worries. She is missed so terribly bad. I love you momma, with my whole heart, your daughter Shay Lynn

I love and miss you so much.,❤️
Edro will be with you now. The two of you have always taken care by of each other. I hated seeing him go but I also wanted the two of you together. Edro I believed died of a broken heart. He was miserable without you❤�
