“ *Uncle Bud was such a special and caring man. I always looked forward to seeing him, because no mater what was going on in life he always had words of encouragement in the Lord to make things better. I lost a special and very loved Uncle but heaven gained a wonderful man.*

“ *John and I went to church with Bud, and his beautiful wife Jewel. He was a great preacher, and I always looked forward to hearing him speak. He was passionate about his Lord and Savior, which you could feel every time you were around him. He never looked down on anyone, and always made you feel special. His wife Jewel is the same way. I remember a time when we were struggling due to a shoulder injury John had, and the help and encouragement they gave us. I was so sad to here Bud had passed, but Heaven is so much sweeter now! I have so many that have gone on before me that I can't wait to see again one day. I'm so sorry for your loss Jewel, and family. I pray God poors his love, and comfort out on you all. We have the sweet opportunity of seeing our loved ones again in Heaven! Love and Prayers John, Desta, and Rachel Griffin*

“ *Pastor Bud was a friend and mentor for my whole family. He taught me about Jesus when I was a kid and when I gave my life back to the Lord he was the first one I called, I was surprised at how much I remembered of what he taught me. He was always there for all of us and I will be forever grateful to him. He was a great man and he will be missed! RIP*
