“ *Brett, Mona, Brandy and Dean,
My heart is breaking for my lifelong friend Mona and her family. The loss of such a beautiful, spirited, wonderful daughter is unfathomable. She was such a joy to so many people. I loved working with her in her job search after college. She had such talent and drive. Mona and I grew up dreaming we'd live next door to one another and raise our kids together. I wish that were true right now so I could be there for you. I'm sending love on this day and every day forward for you and your family. If I can do anything, including getting you away to the beach for some down time, I'm here for you!*

Love, Kris (Hoover) Jett
