Alyssa you don't know me at all but I knew your father since we were young. He always was a great hearted person and even though we were cousins I loved him and Christopher like a brother. He had a great soul and I know he is looking down on you guys with love. He will be missed by us all. If you ever need anything get ahold of me. I still hear his voice saying how you doing Ronnie. He was an awesome man.

“ In all your struggles you always worried about your children and you always told me how much you loved them. Sheri, your dad and I didn't leave you as your body slowly faded away. I know how much you loved Sheri and honestly, she is the best girlfriend you ever picked and it breaks my heart to even think where you would have ended up without her. She loved you so much even when you pushed all her buttons!! Sadly, your life ended so young but I know you are happy, painless and catching up with your Gramps! ❤️
