“ I have known Anita my whole life. I worked with her at the school also. We took lot's of country rides, listen to music and we would laugh so hard! We actually peed our selfs laughing so hard on night... She would still call me and check on me, or on Facebook! She was an awesome friend! she may be gone for now but not forever  I could go on with some great stories.. she was one of a kind with a huge heart... My heart and prayers go out to her family especially Bennie and her kids and grandbabies. R.i.p my friend

“ *I remember the first time I met her. My son met her daughter online, and after awhile they wanted to meet in person. (they are now married :) Anita was so sweet, laid back, and easy to talk with. She was a very easy going and chill person. She had a good personality, and I enjoyed being around her.*
