“ *My first job out of high school (many, many years ago!) was in the City Restaurant in Kirklin, for one year, thus working for John and Annabelle Turner. I am very grateful for having the opportunity to work for them, and found them expecting their employees to work, but always fair to me. Annabelle always had a lot of energy when working in the kitchen! My thanks and sympathy to the family. Martha Wimborough Goings - Noblesville, IN*
