“ *Thinking of Kaye, Judy, Joe, Mark and all of your immediate family as you celebrate and remember the life of your very kind and gracious mother. Many fond memories of a very thoughtful Aunt who later in life was so generous to share her thoughts and kindness with sister in law, Mariam.*

“ *Remembering our dear Auntie Anne with such a twinkle in her eye. She was always so supportive and positive - she walked her faith like the true soldier that she was. Uncle Frank and she always entertained us and "put up" with our giggles and screams as we played at the house on Park Drive. Wood cousins - so very special*

“ When I think of Auntie Anne, I always picture her visitng at my Mamaw's house (Mildred Messenger) when I was a child and pinching my cheeks in a loving way. She made my sister and I dolls once when we were little and I loved them. I'm sorry to hear of her passing, and know that my thoughts are with the rest of her family. - Brooke (Hamilton) Curry

“ Summer visits to Indiana always meant we got to see our Uncle Frank and Auntie Anne. I will always remember her laugh...so cute and genuine. Her creativeness was beyond-so talented. She was a wonderful, sweet lady. My prayer is that memories of her will always be with you.

“ Pat and I will always remember the fun we had with our Wood cousins at our Uncle Frank Jr. and Auntie Anne's home on Park Drive. We had a lot of fun with our cousins on our summer visits. I can't help but remember how sweet Anne was to us. Special remembrance for that black panther porcelain sculpture on top of the TV. So 50's and such a great memory! May the Lord bless Auntie Anne and keep her.
