“ I have so many childhood memories that include Tony. He took me to my first MN Twins game and bought me my first jersey (which still hangs in my closet). He was a wonderful uncle--and always a good sport--sitting in the living room playing the Pretty Pretty Princess game with us girls. The way Uncle Tony showed love for my aunt and their daughter was unlike anything I had seen in my childhood and it made me realize that good men really do exist. He will be fondly remembered and greatly missed. Sending strength and love to his family and friends; especially Pam and Samantha.
