“ *When I was younger my grandpa would give me and my brother underdogs even when he was working for my great grandma he always had time to. I remember when I would help him get the wooden chairs ready and made for the turning leaves festival*

“ Tony was sure one of the good ones. Always ready to help if it was needed. He could build or fix anything. Everywhere I look on the farm I see something Tony had a hand in doing. He will be missed by many and left this world way too soon. Thinking of all you guys..  
Hugs and love

“ I was a young, first year teacher when I taught Tony, Jr. at Thorntown Elementary. Tony (and Jana) made a wooden display plate that they managed to have every student sign as an end of year gift for me. That plate was on display in every classroom of my 27+ year teaching career and I still treasure it today. Grace and Peace to the entire Owens family. Cindy Hume
