“ *"My heart is very heavy tonight as I think of all the years we spent together.I don't know where to start the memories are so many. You taught me so many things,I owe a huge part of who I am to you. You had a way of making us all feel like we were the most important person on the planet. Though you were not a church goer you lived a life of Christian charity to others,you feed the hungry ,clothed the poor,gave counsel and comfort to the sad and lonely,your charity and heart knew no bounds.All of your thoughts and actions were unselfishly for others. May we all strive in our lives to be like you,I love you Barb!Blessed are the peacemakers for they shall be called the children of God.Rest in peace dear Mother.*
