“ *Love this special man. You'll be missed Uncle Benny. ❤️💜*

“ *Today, by chance, I was going through old letters and ran across a note I received from Benny. He had visited the Korean War Project web-site and sent me a note telling me he was standing side by side with my father during the battle for Vegas Hill. My dad was his assistant BAR man. I thought I would look him up on the internet and discovered this obituary. I wish so much I could have said hello. My dad and his identical twin were on Vegas and my dad's brother never returned. I have a website dedicated to my dad and uncle at www.jimmyshouse.org where you can see the "Our Story" page and perhaps learn more about your dad and grandfather. Those men were a special breed. I shed a tear for the loss of your father.*

Warmest Regards,

Jeff Cribben

A Proud Marine's Son.
