“ *It was my privilege to know Miss Betty and call her a “forever friend”. She was an inspiration as well as a dynamic servant of our Lord. We shared so many moments together preparing for cantatas, special Sunday worship music and as a part of the choir she led for so many years. I confided in her and always appreciated her comments and advice. We talked about dreams, children and aspirations that never came to fruition. I miss her, but I know I will see her again as a part of the heavenly choir. Continuing to pray for John and his family.*

“ *I remember when my family (Belcher) and the Hine family would get together for pitch in dinners and card playing with the Funkhousers and Smith families. The adults carried on that tradition for many New Years Eves. Prayers to the Hine family.*
