“ *Betty became our back door neighbor when we moved to Simplicity 12 years ago. She was not only our neighbor but became a wonderful friend. She made the best peanut brittle. Just a few weeks ago she had one of her care givers help her make some for George. We will certainly miss her....beautiful lady, spunky and fun.*

“ *Such a sweet, fun, beautiful lady. Although she leaves a void in the hearts of those who knew her, she is safe in His arms, now and forever. Prayers go up for the family during this sad, difficult time.*

“ *I had the good fortune to visit with Aunt Betty Jo during the past 3 years. She was always so supportive of me and my family. She told me stories about her that I had never heard before. We would laugh until we cried! I got to find out about my mamaw when she was younger from Betty's point of view. One visit she got out a beautiful red hat. We took turns modeling it and talked about all the places that she could wear it. I already miss her.*
