“ *Words can't express how sad we were to hear of your mother's passing. She was such a wonderful woman and meant so much to us. We had a nice visit with her last year and only wish we had been able to visit her more. Prayers for comfort for all of you and especially for Brian.*

“ *Gerald, Allan, and Brian. My Mom and I are so sorry for your loss. Betty and Mom would converse over the phone or whenever they ran into each other. Not many of the old T'towners still around! We would have attended the service had we known. Cherish the good times you had through the years. I remember us little kids & Moms piling in your Mom's car & going to the park. We both send our thoughts and prayers!*

“ My days were always filled with joy when I would see Betty walking to the dining room. She would always stop and check on me. My evenings were filled with the same joy and happiness as I walked past her patio with my dog Willow, both Willow and I enjoyed stopping and chatting with Betty. Every evening Willow would run towards Betty's patio to see if she was out, if she wasn't, it wouldn't be long before she was. Betty shared parts of her life with me on that patio, her love of her family, her love of her pie making days, and her love of sharing her beautiful flowers. I will miss her deeply and she will always be in my heart.
