“ *I know Beverly's daughter, Gayle, very well and consider her a close friend. I never had the pleasure of meeting Beverly.... But I feel a strong connection to Beverly through her daughter. Beverly must have been an incredible role model and mother because her daughter has such beautiful qualities..... Characteristics that include a deep sense of caring and empathy, a sweet and loving nature and a dedication and sincerity that is uniquely hers. How proud Beverly must of been of Gayle and also of the husband that Gayle chose (Tom) and the impressive and wonderful children that they had together. May the memories of Beverly provide comfort to Gayle and Family during this time of grief. Sincerely and with love, Carol Burns*

“ *My friend will be so missed by all that knew her, but let it be known she will be with the Lord and enjoyed by all the Angels surrounding her.*
We had so many enjoyable times together and loved playing cards HOURS and HOURS.
Yes I did beat her sometimes, but she was the best.
I really Loved Her.
