“ Beverly was my mom's roommate at The Waters for more than a year. She always kept an eye out for her friends, and I enjoyed our visits. I'll remember how much she loved Diet Coke and Reese's Cups, and her kindness to my mom. My condolences to Bev's family

Beverly was in the room next to my parents at the Waters for almost 2 years. Whenever I came in to visit my parents she always remembered my name and had a smile on her face. She never failed to brighten my day. I know my parents will miss her smiling face. Our condolences to Beverly's family and friends.
