“ *Bill was one of my "favorites" at the original Stokes Elementary. Truthfully ALL the Spidel kids were everyone's favorites. Had a chance to work with Jackie for a while and of course, she was loved. Can't imagine why the Lord needed him quite so early, but i am sure that his earthly friends and family will miss him so much. I am not able to come to the funeral home, but I did want you all to know that I have been praying for all of you and wish you all peace.*

“ I was shocked to hear that Bill had passed, especially at such a young age. I've known Bill since he was a kid. The Herrmanns' and Speidels' were all friends. He and my brother Doug were best friends since they were kids. Most every day, they were at each other's homes or on some great adventure. They were there for each other their whole lives. I saw Bill again when Doug was about to pass back in 2002. He spent the whole day with us in the hospital room. On the day of the funeral, Bill actually drove Doug from the funeral home to the cemetery in the back of his new pick-up. (Doug would have loved it!) My deepest Sympathies are with your entire family. I know how much he will be missed.

“ I remember all three of the Spidel boys, Donna Sue and the two Rose boys playing in the middle of the street and getting into trouble. Jackie or mom having to yell at them for something or other. Those were good times. Prayers for you all.

I knew Bill since we were in Kindergarten at Stokes. His family lived a few doors from my grandparents. When summer break was on we would all get together and play at the Water Tower lot or at the basketball court behind the Spidel's home or in the alley at Thompkin's house. He was a great guy as was his parents and his siblings. Hugs for all his children, wife, and siblings!
