“ *Bill and Mary Ann were some of our first friends at Heritage Lake. I missed them terribly after they moved. Rest in Peace, Bill.*

“ *Well my first memory that I truly remember is seeing Billy Dean standing in the entryway of Aunt Jenny's house, his arm around Ann (think they must've been newlyweds), and he was wearing his uniform - very handsome....I was just a little girl. I also remember (as a little girl) him visiting us in Ohio and driving his motorcycle. Then there were the visits to California to visit all the family with his family all in his car. Always great fun when the cousins were all together and he will be truly missed by us all. Such a special special person! Sending love, cousin Carol*
