“ Brenda and I were very good friends in jr high. We got in trouble a lot by our dads. What one of us didn't think up the other did. Lol and we always got busted by my dad or hers. They were always a step ahead of us. But we had a lot of teenage adventures together. I loved her she was my bestie along with the others in our posse. Haha. Miss you girl. R.I.P. and be without pain now. Terri Ellis, Smith, Wright. I'll never forget you

“ *Brenda and I meet in Jr. High School. We had so much fun together. We were friends forever. We didn't see each other in the past few years. I seen here when my Mom was in Homewood. She was there for Rehab. We had a great time talking about old times. She hadn't changed a bit. I know you're in heaven and pain free and we will see each other again.*
