

Brian M. Medley

January 11, 1973 - March 26, 2026

Brian Michael Medley, 53, passed away on March 26, 2026. He was born on January 11, 1973, in Valparaiso, Indiana, to Linda Susan Medley and Jon Mark Medley.

Brian grew up in Portage, Indiana, where he was actively involved in sports both through organized teams and countless neighborhood games. His love of sports continued throughout his life; he was an avid fan who enjoyed following teams, talking stats, and sharing in the excitement of the game with others, especially when it came to his beloved Chicago Cubs and Chicago Bears. He was also a devoted supporter of Indiana Hoosiers football and was absolutely thrilled to see them win a national championship. Brian was also a true tech enthusiast and gearhead, always keeping up with the latest technology and enjoying anything related to gadgets and innovation.

He was a dedicated student who excelled academically, graduating in the top ten of his class in 1991. He went on to attend Indiana University in Bloomington, where he majored in accounting. Following graduation, Brian began his career with Marathon Oil in Findlay, Ohio, before transferring to Houston, Texas, where he worked for 30 years before moving on to employment with Integrity Assurance Group, LLC, in Alabama.

Brian will be remembered most for his generosity, kindness, and steady

presence in the lives of those who knew him. He had a quiet way of showing up for others, offering support, sharing laughter, and making those around him feel valued and cared for. His warmth and selflessness left a lasting impact on family, friends, and colleagues alike.

Brian is survived by his mother, Linda Medley; his brother, Aaron Medley (Rebecca); two nephews, Mitchell and Ethan; and three nieces, Kayleigh, Skylar, and Hannah.

He was preceded in death by his father, Jon Mark Medley, and his brother, Jeff Medley.

“ *I will miss my cousin Brian so very much. I remember all the fun times playing kickball at grannies house when we would visit. As we got older Brian and my uncle Dan came to my mom's bed side before she passed and stayed after she passed. My father never forgot that. Brian would come to visit many times after he was my road dog traking down Facebook market place finds and my kids loved him more as an uncle than a cousin. He always made sure to include you, when his brother passed he made sure I got to indiana to be with the family. He was that kind of guy the big heart make it happen guy. I will miss him so dearly.*

“ I am so sorry to learn of Brian’s passing. I knew from the many gatherings at Jason & Mel’s through the years. We also used to run into each other at the dentist. Brian was wonderful friend to everyone who knew him. My deepest sympathies to his family at this difficult time.

“ Brian was a very special friend to our entire family. He knew our son Jason, who died in 2012, and he were so touched when he came to Jason’s Memorial. He often shared Thanksgiving with us in Houston and was sure to bring his green bean casserole and special pumpkin rolls. Brian, you will be missed by us dearly. Hope you hang out with our Jason. Much love, Bub and Linda

“ Dear Brian’s Family....

I worked at Marathon Oil in Houston where Brian worked. I was not in his department, but in Administrative Services. I would be on the elevator with Brian, in the hallway or on Level 29 where Administrative Services was. Every time I ran into Brian, he always shared a smile or a kind word. He was the kind of person we all should try to be. I am truly sorry for your loss. I was very sad hearing this news.

God be with and Bless you and everyone who knew and loved Brian.

Warmest Regards,

Valerie Laubacher
