“ I worked in the Boone County Commissioners' Office from 2005 until I retired in 2017. One of my highlights was when Byron was in the building. I don't think he ever went down the hallway without stopping by my office and having a friendly conversation. He was a delight to know and was so easy to talk to. He reminded me a lot of my dad. Always with a smile and a friendly word. He will be greatly missed. Unfortunately, I volunteer on Mondays at Witham Hospital during the hours of visitation and the funeral so I cannot attend. You will all be in my thoughts and prayers. RIP Byron.
