“ Dear Karen and Diane (and families),
Oh my, I'm so sorry to hear of the loss of your dear Mom. What an absolutely delightful woman. Always kind and friendly and so much fun. I have many good memories of both your mom and dad and I know how much they loved each other, and now they are together again. (And Allen)
I don't know quite how to express it- I just always felt happy being around your Mom- she was interested in everyone, always asked interesting questions and could talk about any subject. She was sooo smart! I remember many times watching jeopardy with them and amazed how much she and your Dad knew!!! What a great generation. I am glad I knew your Mom. She just adored you girls and was so proud of you. God bless you and I send my most sincere condolences.
