“ *This purple candle is for you Nanny. I love and miss you more than I can say. You taught me so much. I wish I could hug you once more and tell you how much I love you. I miss our talks and long drives.....going to Bob Evans and Neil McCoy concerts....all the funny stories we use to share. But most of all, I miss your friendship. You were my best friend. I am the luckiest person alive to have had you in my life and I will miss that everyday! I'm sorry I left. 💜*

“ Carol was a lovely friend to me. I met her thru David, her son when my niece and he got married. It wasn't long that she needed a hairdo, and Sheila told her that I did hair. She gave me a call and it was a friend at first site. We just clicked and became close friends and shared many personal things in life that few ever share. She was a gem and I will miss her a lot, even though I have not gotten to see her for a while she has been in my prayers and she will always be in my heart. God bless all the family and I know God is taking excellent care of your dear sweet momma and my dear friend. Again she was a lovely woman and a sweet sweet friend to many, not just me. She will be missed!!

She really loved you Nedra! You took such great care of her "do" and made her natural beauty shine. I had fun watching you ladies share stories and giggle that day I brought her to get her hair done.
