“ *I was so sorry to hear of Carol's passing.....I only knew her for about a year as I would join her for dinner with her friends at the table. She was always smiling, she LOVED to make her beaded bracelets, always had a story or two about her family, and you could still see some spunk in her too. To her family, our thoughts and prayers go out to you to find peace and comfort during this time.*

“ *Carol was such a blessing to my mom. They were neighbors at Crown Point and Carol helped her fill out her menu when she was there. When mom fell and she had to move to Homewood Carol was there to lift her spirits. She would check on mom every day and she sat with her at meals. We are so thankful for all she did. My mom will truly miss her. Our deepest sympathies, Mildred Dickerson and family*
