“ *if I listen I can hear aunt caroles laugh! She treated me and my siblings and each cousin like we were the only one around. She would always ask how I was doing and always waited for the answer. My only regret is not telling her how much I loved her*

“ *There are not many memories from growing up in my dad's family that don't include my Aunt Carole. Running in and out of her house in a stream of running, squealing kids; Aunt Carole and Mom standing over the fry pans cooking up the mother lode of mushrooms; late night decisions to go camping and everyone scrambling to pack up; doing "water ballet" on our floats and life jackets while boating; and New Year's Eve parties with card games, party games (pass the cracker!), and kids dancing. Through it all, she showed love, humor, fortitude, and discipline in equal doses! Although I'll miss her, those memories will last forever with many of us who called her aunt, mom, sister, and friend.*
