Prayers and hugs to her "son" Todd and friend Karen Reynolds, who were showed her devotion love through it all. Im sorry for your loss. May your tears of pain turn to the great memories you share of Carrie to lighten the pain.

“ Carrie was my friend. She was very faithful to her partner and kind
to all who
knew her. She had the most beautiful twinkle in her eyes. We had a
lot of fun
times together and I will miss her dearly. Her family has my
sympathy.
