“ *My kids and I have known the Edens family for 20 years. My kids were either at their house or they were at ours, playing ball, swimming, being kids. I used to ride my horse to their house and give the girls rides in the field in back of their house. Casey was usually last, because she had this high pitched squeal every time she got on...I was always afraid she would spook the horse! But it was a squeal of excitement and fun...you couldn't help but laugh with her! Suzanne I understand the loss and pain you feel as a mother and how I wish I could take that away from you, but I can't. Please hold on to your family and friends and keep them close. Do know I'll always be here if you ever need anything. Candase, Carrie, and Crystal....hold onto each other, as well...you all have an indestructible bond that many families don't get to have. DJ, Cayden, and Jaxson....you all are Casey's world. My heart breaks for your loss and I pray you all find comfort and strength. Deepest condolences...Chuck and Pat Revell*

“ Casey- My beautiful niece that ALWAYS had a smile, if not, you would never hesitate to let anyone know what you were thinking! I loved how you were straight forward and said what you thought, no filter! (That's how your Mom raised You) ;-) I will always cherish the memories when you were all little and your Mom and I always had you kids together. Great times, great memories. Fly high, and give both your Grandmas hugs from me. Til we meet again, I Love You ALWAYS! Aunt Vicki

“ My memory is of her twinkling, eyes, beautiful, genuine, smile and her girlish giggles. And, calling me, "old lady". Followed by one of those giggles, of course. I'll miss you always.

“ *I just remember Casey ad being one of the most joyous, happy and caring people I have ever met. She was always trying some new project around the house with varying degrees of success but having fun no matter what. She was a realtively new friend to ne and I regret that our friendship won't have the chance to flourish. Bless her family and especially her two sons who are left with only memories. My heart has been darkened by her loss.*
