“ Pam: You have been part of the Witham family for more years than I can remember, but I didn't know Chuck as well until I met him a LCC. He was always a friendly face at the door or wherever he served, and I wish that I had known him better. My thoughts will be with you during this time. It's so hard to say goodbye when it happens like this, but I hope that you will find peace in knowing that there is faith, hope, and love surrounding you as you face the days ahead.

“ Condolences to Chuck's family and friends. I live in Stonegate Meadows, where Chuck was a maintenance man. Everytime I see a small aircraft fly over I think of Chuck. In fact it was just this weekend that happened. He was a friendly man with a good sense of humor. Glad to have known him. RIP

“ Chuck was one of the brightest lights of God's hands and feet that I have encountered in my lifetime. He openly shared his faith journey, was positive and joyful each time I saw him. He and I were both Witham employees and he took the time to make people feel important. He prayed with me and gave me hope and I loved him as my brother in Christ. I know that he will be sorely missed by Pam and his daughter. "The master said, "Well done my good and faithful servant" Those are the words I believe he heard when he met the Lord this weekend. You will be missed.

“ I loved meeting Chuck and visiting with him when I worked at Witham. Such a kind man and we had many great conversations about Jesus! He loved flying, and he loved his family so much. I was always getting to see pics of family or grandkids and hear stories on you all doing fun things. I know he is now on paradise, but this earth needs more people like him here. A great co worker, mentor and friend who loved to let his light shine for Jesus. You will be missed!

🙏❤️🙏 My prayers to his family.
