“ *I have loved Uncle Charlie all of my life. I spent so many fun summer days and nights at the Series' Indy home as a girl. I liked going into his garage and watching him work on his planes and also going to watch him fly. When I reflect on childhood Christmases at our grandmother's house my memories include him. He had a great sense of humor. He left behind a great legacy in his two daughters. LeeAnn & Stevi, my thoughts are with you. I wish I could be there with you. I love you both and your entire family. <3*
