“ *We became good friends with Rooster and Joanne at Lake Glenada. The fun times we had, the pitch in dinners outside at his and Joanne's house. He made some delicious chili. When ever projects were done at any of our group. Rooster was the first there. We'll miss you my friend and your laugh. R.I.P. Rooster and our thoughts and prayers go out to Joanne and all the Family.*

Rooster was one of a kind and a very good one. Met him and JoBob in the 80's riding Honda Gold Wings. Been friends since, neighbors at lake Glenda and at Lake Hide-away for a few years. Bob, (Rooster), and Gary were good buddies that could always find something to fix or someone to help. He will be truly missed by many,

“ I remember uncle Bobby teaching me how to ride a bike there was a big pine tree in the front yard and he gave me a shove but failed to tell me that there was a big hole on the other side and I hit it and wrecked into the pine tree and he would always play softball with us
