“ *I did not know Charles - but I am related by marriage to his brother Bob. My Father is his wife Juanita's cousin. In recent months we have lost contact with Bob and Juanita - the number we had no longer answers. My father tried to call Juanita on her birthday - with no response at the other end and now the number does not appear to work. My father is concerned. If anyone knows how to contact them please let us know. ampullman1@gmail.com or 317-605-4953 Thank you.*
