

Charline A. Clements

April 30, 1941 - March 19, 2024

Charline Clements 82, of Lebanon, passed away on March 19, 2024. Charlie, as she was known to all, was born April 30, 1941 in Indianapolis, Indiana to Raymond and Mollie (Nugent) Ramsey.

She spent her entire life in the food/bartending industry and shared her late husbands' profession of running racehorses.

She is survived by her daughter, Robin (Doug) Deaton; two granddaughters, Spring Deaton/ (Jeremy Wilburn) and Samantha Bilderback/ (Joel McWaters); one great granddaughter Skylar Bilderback; three stepsons (Denny, Tim, Pete) and one nephew Ricky.

Charlie was preceded in death by her parents, husband, siblings and one stepson.

Charlie was one of a kind and always did things her way. She was never without a colorful word in any situation. Often times embarrassing her family with her antics, choice of interesting clothing and lack of marksmanship skills (thank you Jesus). Charlie lived life by her personal Trinity of smoking, drinking, and cussing. She was very generous with her opinions and loved her animals.

A special thank you to her granddaughter, Samantha, for taking such great love and care after she lost her home in 2022, due to a fire. Since the summer of 2023, she resided at Autumn Trace where she received excellent care, until her death.

In lieu of official services, have a drink in remembrance of mom/Charlie. May she have peace.

Services will be held at a later date. Myers Mortuary and Boone County Crematory have been entrusted with her arrangements.

“ Charlie was such a fantastic women. She was hilarious and always made me laugh. She was an animal whisperer, they all loved her as much as she loved them. I knew whenever I couldn't find her that she probably found a dog to try to feed treats to. I will forever miss her. She holds such a special place in my heart. Even since moving out of Indiana, I often think of her. Prayers to all of her friends and family.

“ How do I say goodbye to you. If there were two peas in a pod, Mom and you would have been the same attitude, bullheaded, stubborn, independent, opinionated loving people I was lucky to have in my life, Mom give Charlie a kiss and hug from me, Charlie give Mom the same and remember you two can't take over, keep each other company and have a drink for me.all my love.

“ Charline was so much fun to be with and help her with what ever she needed. Every time she paged us I knew she couldn't get her TV to fox 59 I would go in there and she will say will say this piece of shit TV won't let me watch fox 59. She made my day ever time I worked. I will forever miss seeing her and she'll always be family to me. Rest in peace love you and prayers to family

Last year I noticed Charlie smoking in front of Autumn Trace, so I stopped to see how she was doing. I noticed she had a walker that had wheels. I jokingly asked her how fast she could make the walker go. She replied, "As fast as I want it to!" 🙄

Charline by far was one of the best/ funniest people I know. Anytime she'd page me and I'd go in there oh there's my favorite person. We of course always had to take pictures together and send them to her granddaughter it always made her day and mine. Charlene will always be by far one of my favorite residents id take care of at Autumn trace! And she will always be family to me I love you and rest in peace! Prayers to the family!

I met Charlie when I was 18. I am now 52. She taught me how to be a server and how to be a strong woman. She has always been there for me when I needed help or advice. She was one of those friends that you could go a couple years without seeing but when you did, it was always like old times. She was like a second mom for me and I will always miss her. However, I know she's in a better place now where she can have a drink anytime she wants! Rest in peace my friend. You will never be forgotten.
