“ *So sorry to hear this. I grew up in the same generation as the Moss family; and have many memories of them. In spite of the challenges Charlotte had, every time we saw each other she had a smile for me. Sincere condolences to all the family.*

“ We nicknamed her “speed limit”, because when she was on her wheels she couldn’t be stopped. She was a woman on the move, so either move faster than her or get out of the way! I will always remember her laugh and love for her family. We had a shared passion for the ocean. May heaven be filled with white sandy beaches for her to walk and clear blue waters for her to swim. Love you, Aunt Charlotte.
