

Cheryl A. Louks

November 18, 1956 - March 30, 2024

Cheryl Louks, aged 67, of Brownsburg, Indiana, passed away peacefully on Saturday, March 30, 2024, surrounded by her loving family. A caring wife, mother, grandmother, sister, and friend, Cheryl's life was a testament to love, compassion, and dedication.

She is survived by her three beloved children: son Ryan (Kristin) Weston, son Jordan (Jessica) Louks, and daughter, Alexis (Grant) Hartz, as well as her four cherished grandchildren, Caden, Carson, Natalie, and Ian. Cheryl is also survived by her sister, Karen (Guy) Hagen, two nephews, Brent and Nathan, and a very special family friend, Lori Rowe. She is preceded in death by her devoted husband of 36 years, Eric Louks, as well as her parents, Betty and Raymond Geddes.

Cheryl's life was marked by her unwavering faith, steadfast values, and profound commitment to her family. She epitomized the essence of motherhood, finding her greatest fulfillment and joy in watching her children grow up. Whether cheering them on at soccer games, enjoying diving meets, or attending show choir events, Cheryl embraced every moment with boundless love and enthusiasm.

For over three decades, Cheryl dedicated herself to her career at CIPROMS medical billing, eventually ascending to the role of CEO for over 15 years. Her

career was marked not only by professional achievements but also by the lasting bonds she formed with colleagues. Even after retiring in 2020 to focus on her family, Cheryl remained connected to her CIPROMS community.

As we say goodbye to Cheryl, we are grateful to God for the time we were blessed to spend with her. While her absence leaves a void in our hearts, we take comfort in the cherished memories we hold dear and the enduring love she showered upon us.

“ Cheryl was sweet, funny and smart. She was a friend of my husband, and after we became engaged she helped give me a bridal shower. We moved away and lost touch, but I thought of her often with happy memories! She has left this life too soon! Martha and Rusty Parker

“ I knew Cheryl professionally for 25 years, as an active member of the medical billing profession. From the very beginning, I was always impressed by her intellect, professionalism, knowledge and high standards. She stepped up whenever called upon and was consistently thoughtful and friendly. As a leader in our industry, Cheryl was among the best of the best, and developed other leaders by example and intention. She did it all and did it with excellence!

“ I have not seen Cheryl or Eric for several years. Our connection was soccer. I coached the "Red Rockets" soccer team when my daughter Hannah and Eric and Cheryl's daughter Alexis were on this team. I have such fond memories of that season. Cheryl was one of those parents who participated and helped out a lot with game days. We stayed in touch for a few years after that, but I'd not seen or heard from her or Eric for several years. She was a nice person, and I am so sorry that we lost touch. I also am so sorry for her children, who have now lost both of their parents at such a young age. I pray for all of you for peace during your time of mourning, and that you'll find yourself soon just thinking about all the good and fun times...the times you laughed and spent time together, and that those thoughts will help the healing. May God bless you!
