I have so many wonderful memories of Cindy through out the years. I feel like I have lost my little sister. I haven't seen her often these past several years but when we did speak or run into each other it was always like we were as close as ever. Cindy, Jennifer and Bonnie will always have a special place in my heart. I love you all. All of our memories will always be dear to me. Please know I am always here if you need me. Cindy is one lady I know who never lost her spunk!❤️ Prayers and Positive Vibes to help all get through this difficult time. 💜

Many prayers with love. Cindy was n always will be the one that could change a whole room to a smile quickly with hers. The hardest working woman I've ever met. Dedicated to the fullest and will always be cherished and missed greatly. No matter if you only had one chance to meet her, you would never forget. Many prayers lifted for her loving family and friends. May you all find peace!
