“ *I loved sharing Grandmothering with her. Her fun, spunky spirit lives on through Kelley, Jackie, Drew and Zach and will for generations to come. She genuinely cared about people along her path and did her best to help them gain confidence and see the best in themselves. I am sure God is saying to her "Well done my child".*

“ Cindy made every day at Lebanon High School fun. Her upbeat, fun personality was something I looked forward to seeing every day. Her compassion for the students and staff at Lebanon was second to none. I could always count on her to bring a smile to my face and make my day a little brighter. I truly appreciated our friendship and will miss her dearly.

“ I am so sorry to hear of your loss. Anyone who knew Cindy is sharing your grief. She was a remarkable person. I know she will be missed by friends and family, but keep the happy memories alive and the loss will (hopefully) be less over time.

“ Cindy was such a caring soul. Can't disregard that she and Janie Reynolds and Lynda Smith joined those in the Kingdom of Heaven in rather close proximity. They were powerful in their own ways while here on earth and we can only wonder what this threesome will accomplish in Heaven!
