“ *Sending our condolences to you and your family. Though you were gifted to have your mother for so many wonderful years, the loss remains great. Undoubtedly, you have many memories of joyous times and I pray that they sustain you and bring a smile to your face when you think of her. She lives on in you.*

“ *Loved to see her smiling face in the Menards garden center. She always greeted me with a hug. She had the nicest nurse (Kim) that would always accompany her. I have missed her during all this corona stuff . A couple of weeks ago, she sat in the car while Kim ran in to bring me something and Cleva asked if I would come out to say hi. I'm so glad I did because that was the last time I got to see my sweet friend. She loved her flowers. I will miss you Cleva. RIP Lydia McNamara*
