“ *I work the front desk at Staybridge Suites in South Bend. Clint was a regular guest with us and we were hurt by the news that we wouldn't see his little pink truck pull in again. He would hang out with me at the desk and talk about tabletop gaming. He was an incredibly hard worker and a wonderful person who will be greatly missed. His wife and children have our deepest condolences.*

“ *My first memory that came to mind when you were taken from us was of Hudson and you toddling around in diapers, then runing in corn fields. Cutest of the cousins, silliest too with a heart that was wide and deep.*
