“ Dan, Mike and family, I have only known Connie for about 12 years but I have never met anyone who was more positive, loving and caring than your mother (grandmother). I met Connie when I joined their Euchre card club and I have adored her ever since. She was just the sweetest thing and she was always concerned about everyone else but herself. I saw her about a week before she passed and she was her usual positive self. Connie was one of a kind and one in a million. Thanks for the memories Connie; may you Rest In Peace my friend.
