“ Dale was my best friend. He was truly a gentle giant. He never wanted for anyone to know how caring he was. I will miss him forever! We had many adventures together...building our hog cooker together. Countless hogs cooked...always perfect. Best friend I ever had! I will miss him forever!

“ *I'm so sorry to read of Dale's passing. His mother and my mother were sisters. Lots of great memories of the Shaffer farm. And some not so great memories of a rooster that loved to chase me. Uncle Charlie's thought it was hilarious - me not so much.*
