“ *Hi Bill,*

Ann and I are so sorry for the loss of your spiritual partner in life. You and your family are in our prayers. We have never forgotten how you helped us back in 1997 & 1998 with the buildings. Also, how impactful the book you gave us, His Needs, Her Needs, was in our life up to this very day. Thank you, Mike & Ann Kincaid

I lost the love of my life after 42 years together and you never forget, but time does help to ease the pain some. She will always be with you and just treasure the memories that you shared with her. I feel your pain and wish I could offer more consoling words. I will be praying for you and your family.*

“ I only had a chance to meet your mom a handful of times, but I can remember her vividly. She was simply one of those people I refer to as having "good aura". Her smile was infectious, and I suspect she had never met a stranger. You never quite know what Mel might say, and after meeting her mother I figured out quickly where she got that trait.

Hang on to those precious memories. I know there are many.

“ Darlene was one of the sweetest women I've ever had the pleasure of knowing. She was such a blessing and mentor to me. She helped me grow up in the Lord and spoke life into my marriage when I had no idea how to be a Godly wife. My fondest memory was when she would talk about getting a hand puppet so she could be a ventriloquist. She just thought that would be a hoot! And then one day she showed up at church with one!!! I never laughed so hard at her playing with that dummy or hand puppet. She was truly a ray of Son light and my heart aches for our loss of her. But I am also joyful knowing what laughter she is bringing to those in heaven. Our condolences to Bill, the family and everyone who is feeling this void right now. May the Lord bless each of you. “ Sending our love and our condolences to you all from Patty Davis (Smith) side of the family, our grandparents being Glenola and Donald Smith. We visited with Darlene a few summers ago when she came to see us at my house to celebrate our Mom's birthday. She always lit up a room and brought laughter into our lives. So sorry to hear of her passing. May you be comforted by all your memories you share.

I first met Mike at Peter Paul in Frankfort. Then a few years later when to work at Kilos Hospital. Then that's when I met Darlene. I trained her for the switchboard. We became good friends. I when several times to Jamestown . One thing that I can saw about Darlene She believed in God. She never in my presence NEVER had a bad thing to say about anyone. She was a wonderful person. She will be missed. Just sorry that no friends got to tell her good bye. God be with all her family. She is safe at home with God.
