“ *I'm keeping you all in my prayers during this time. I always loved visiting Aunt Sheila's and Uncle Don's house when you all lived next door. Darrell was always so kind, loving and funny. I'm sure he never met a stranger with his personality. I was amazed at what he could do with a classic car. His love and devotion to his family was admirable. He will be missed dearly. Sending my love, prayers and deepest condolences.*

“ My thoughts and prayers go out to your family. I have talked to Darrell for over 20 years but only met him twice in person. He ordered his office supplies and furniture from me. He always made me laugh. When he knew there was a new person in my office, he would always call and ask for the Staples lady. He always got them because we aren't Staples.

He will definitely be missed. Rest in peace Darrell

“ Kim, Brandon, & Katie,

I had the privilege of working with Darrell for the past five years. I am very sorry for your loss. He was a great co-worker, and I enjoyed working with him very much. Please know how much he loved you all. He talked about you all of the time, and always had a smile on his face when he did. I hope that your many great memories will sustain you, during this difficult time.
