David, I've know you since you were 6. You are too young to leave your family and friends. My condolences to all of your family. Thank you for your military service and all the joy you have brought to others.

“ *Got to know David at Harney Elementary when our children were youngsters...He was good with the kiddies and we had numerous classroom and Birthday celebrations shared with the children. He was a good friend to the family when we lived in Lebanon! Sorry that his grandkiddies will not have him around as they grow...a very kind and easy going fellow...*

“ *It was such a shock to hear of Dave's passing. I've known him for a long time, and I'd see him once in a while when he'd help me with some plumbing work. Always a nice and patient guy. I'll miss him.*
